GOAL

To provide best in class equipment and personnel enabling energy producers to achieve new efficiency benchmarks.

PERFORMANCE

Newsco International congratulates our valued customer and the crew of H&P 647 for drilling this Delaware Basin well in 13.66 days (DO Int to TD) in Lea County, New Mexico.

This was the first well that Newsco provided full package directional services on H&P 647 and we look forward to besting this performance once we settle in and fine tune our systems to operate at peak efficiency on this rig.

This Delaware Basin well was drilled in 13.66 days from DO Int to TD, shaving 0.59 days off of the goal.
